<b>Nacka Gymnasium</b>	Stockholm, Sweden
High School, Technical Sciences (21.5/22.5)	August 2017 – June 2020

## EXPERIENCE

<b>Fastdev AB &amp; Fastpool AB</b>	Stockholm, Sweden
<b>Product Owner</b> – Fastpool AB, SaaS WFM Platform ( <b>10k+ users</b> )	October 2021 – June 2025
• <b>Launched two mobile apps</b> by leading a phased MVP rollout and coordinating a global agile development team.	
• <b>Built and maintained relationships</b> with major clients (e.g. SAS, Sodexo, Haglöfs) as their primary product contact, helping them optimize platform usage and leading collaborative feature development.	
• <b>Secured and onboarded a new enterprise customer</b> by tailoring product demos and account configuration.	
<b>Product &amp; Ops</b> , Fastdev AB, Global Tech Consultancy (€10M, 100 ppl)	March 2022 – June 2025
• <b>Delivered a back-office Android app that enhanced restaurant workflows</b> , acting as Product Owner and leveraging user feedback from on-site visits to guide a global agile team.	
• <b>Cut support costs and improved SLA response times</b> by migrating Jira projects to the cloud and launching client-specific service portals (e.g. Agapi Boat Club).	
• <b>3x increase in leads (Aug–Oct 2024)</b> through targeted Google Ads optimization and SEO efforts.	
• <b>Led the recovery of €30k in missed revenue</b> after discovering a client who hadn't been invoiced since 2017, coordinating the full reconciliation.	

## PROJECTS

<b>Pubquery</b>   Founder and Developer   <a href="https://www.pubquery.se">www.pubquery.se</a>
• A student event platform with <b>20,000+ visits/month</b> and 30+ partner org, advertising revenue €150/month.
<b>YouTube Image Match</b>   <a href="#">Code</a>   <a href="#">User interface</a>
• Turn a screenshot into a precise YouTube match, locates the exact video and timestamp using a custom-built convolutional autoencoder ML model.
<b>Zettle Automation Tool</b>   <a href="#">Code</a>
• Built an automated Zettle → Supabase pipeline with live sales shown on student chapter's website.

## STUDENT ENGAGEMENTS:

IT-Group Leader 2024-2025 (10 students), Photography Group Leader 2023 (15 students), Teaching Assistant 2021-2022 (leading exercise sessions for 30+ students in industrial economics).
